

YES I WANT TO SPONSOR A BOWL !!!!

What happens when we sponsor a bowl?

When you sponsor a bowl you will receive the following:

- A pottery bowl made specifically for the Empty Bowl Project
- A “Business Name or Your Name helped fill an Empty Bowl “ certificate
- Listing in the Executive Director’s blog site
- Newspaper coverage in the News Messenger

Where will the money go?

The funds **go directly into our hunger relief programs.** Beans and Rice has a very low administrative overhead of less than 5%. The Executive Director works without pay. The Radford programs have one half time worker and three AmeriCorps VISTAs, so personnel costs are less than \$20,000 for all programs.
